
THE PEARSON FAMILY

“The Love of Christ Constraineth Us.”

Work while it's day.

Mission update:

Summer is here. This is the busiest time of the year for all of Cincinnati. People moving, going on vacation, kids in all kinds of sports and everyone is outside. Our goal and prayer is to get people's attention for the sake of the Gospel. So we are having our 1st ever Vacation Bible School to get the people's attention in the community. VBS is July 14-18. Please pray that we have wisdom for the theme, workers for the harvest, organization for the crowd, love for the lost and enough food and supplies for the week.

God gives great surprises.

Much to my surprise, a man named Kollin contacted me via Facebook asking how he can be baptized. I haven't spoken to him since 2005, the year we graduated from high school together. I told him the gospel of Jesus Christ and said we need to sit down over coffee and the Bible. We met and I implored him to repent and believe. He told me he believed and trusted Christ. I praise God for his confession! He said he would be coming to church to make it public and then we will plan his baptism. Please pray that the devil will not hinder him and that he will wholeheartedly follow Jesus.

Family update: Healing is painful and slow. My foot is still nagging me and keeping me from running and jumping with the lost souls on Tuesday and my kids everyday. Please pray for my patience. Summer is here and the kids are out of home schooling but now they are bored and tired of chores. Please pray for us as we endeavor to give them a fun summer.
