

# The Pearsons

We're thankful to belong to Jesus.

**Family update:** It has been a quick but long summer. Quick because it's already over and home schooling is upon us. Long because we were able to do so much in such a short time. After a long week of summer camp and VBS we were able to go on a family vacation to visit a church that took us on for support without us ever visiting them. I'm thankful that we were able to go and say thank you for their support in person and also have a vacation with the family. Darius (the baby) loved seeing cows, sheep and horses. Horses are surely his favorite animal. We are now moving into the birthday time of year for us. There will be a birthday in our house every month until March. By the end of the month we will have a 13 year old in our house, which makes us say, WOW. Thank you to all the churches who gave towards Tiara getting a mini van, we were able to find one that fits our ever growing family.

**Mission update:** While on vacation we were thankful to a fellow preacher in the area to fill in at the mission. God is so faithful. While on the vacation, I was contacted by a young man I've known since he was 14 named Lexavier. He said he desired to go to church with us when we got back. Praise God I've picked him up these last two Sundays. Please pray for him. Also pray for Asia, we had the opportunity to pick her up and bring her to church also. Pray for the van ministry. The van is older and needs new mirrors, but it still gets from point A to point B and we praise God for His provision. Tuesday night basketball is starting back this month, please pray for peace and fruit.
